

Find your own music

This is where your music journey begins

- Two internationally acclaimed departments: Classical & Jazz
- A global community: Students and teachers from over 50 countries
- Personalized coaching: One-on-one lessons with top musicians & educators
- Real-world experience: Regular concerts, masterclasses & festival performances
- International career opportunities: Strong network across Europe and beyond

Why Maastricht?

Maastricht is a vibrant student city in the heart of Europe, close to Belgium & Germany. It has a dynamic cultural scene with concert halls, festivals & cross-border collaborations. In Maastricht, the cozy feeling of family meets a collective global mindset. You also find state-of-the-art facilities including practice rooms, a professional studio and concert hall at Conservatorium Maastricht.

Study Programmes

- Bachelor & Master of Music in Classical or Jazz
- Specialisations in various instruments, voice, composition, conducting and theory
- A curriculum blending performance, theory, entrepreneurship & research
- Double degree options & exchange programmes with top institutions

Classical & Jazz: best of both worlds

Classical

Develop your artistry through orchestral training, chamber music & solo performance. Work closely with experienced mentors in a master-apprentice model, and prepare for a career in orchestras, ensembles, opera, or as a soloist.

Jazz

Find your unique sound through improvisation, composition & live performances. Work with internationally renowned artists and educators and gain hands-on experience in recording, arranging & band leading.
